NGO Section /DESA
United Nations, NY

Dear Madam

We have received your communication of January, 9 2003 asking us for clarification of our answer to Question No. 5

The message has been delivered to us only today as there was a technical snag in communication system.

The clarification asked for had been given in our answer to your letter of December 30. However further clarification in the matter is given herewith.

“ About 50 individuals(Not organizations)had applied for grant of membership of our organization and these were under consideration. These had to be processed under rules. We did not mean to say that 50 organizations were under consideration for grant of membership.

We are sorry that a wrong impression has been created with Excellencies the Members of the NGO Committee and the same may kindly be corrected.

with regards

K N PANDITA
General Secretary
